

Alfalfa Management for Farmers

Presented by:

*Bruce Anderson, UNL Extension Forage Specialist and
Keith Jarvi, UNL Integrated Pest Management Extension Assistant*

Friday, Febr. 29 * 10:00 a.m. – 1:00 p.m.
Registration begins at 9:30

At the Saunders County Extension Office
located at the UNL Agricultural Research & Development Center
August. N. Christenson Research & Education Building
Near Mead, Nebraska

The workshop is aimed at producers and will help them to determine the best strategies for their alfalfa operations. This workshop will cover:

- **Insect problems in alfalfa, including identification of insects, scouting techniques, economic thresholds, and management options.**
- **Reducing rain damage, harvest timing for yield and/or quality, and controlling problem weeds.**

Complimentary noon lunch.

PRE-REGISTRATION REQUESTED:

- **There is no fee for this workshop, but advance registration is requested. Please pre-register by February 27.**
