INTRODUCTORY LEVEL
FIELD CROP SCOUT TRAINING

This session is ideal for new employees preparing to take the CCA exam and serves as an excellent refresher course for experienced personnel. Courses are taught by University and industry specialists. This educational training provides current, detailed instruction and is specifically designed to furnish employees with the necessary knowledge, expertise and confidence to fulfill the requirements of their employment.

Topics:
• How Corn and Soybean Plants Grow & Develop
• Soybean and Corn Insect Management
• Using Knowledge of Plant Morphology and a Seedling Identification Key to ID Weeds
• Crop Diseases and Quiz
• Nutrient Deficiencies

Fee for this training is $165 which includes a resource book. Or for participants attending the training only (no resource book) the fee is $50. Pre-register to reserve your seat and to ensure workshop materials are available the day of the training session. Fees include lunch, refreshment breaks, and workshop materials. About the optional resource book - the instruction manual contains a variety of reference materials that are excellent resources for crop scouting professions. Registration fees do not include the cost of lodging.
