“Very worthwhile. As an aspiring crop scout and crop manager, this training was important.” - Comment from 2016 participant

CROP SCOUT TRAINING FOR PEST MANAGERS

7.5 CCA CREDITS
Applied for and pending
(6 Pest Mgmt.,
1 Crop Mgmt.,
.5 Fertility/
Nutrient Mgmt.)

Tuesday, March 14, 2017 at the Eastern Nebraska Research and Extension Center

(located at the University's Agricultural Research and Development Center near Mead, NE)

August. N. Christenson Research and Education Building * 9 a.m. – 5 p.m. * Registration begins at 8:30

Industry representatives and corn and soybean growers wanting to learn how to better manage corn and soybean pest should plan to attend this program. This session is ideal for new employees preparing to take the CCA exam and serves as an excellent refresher course for experienced personnel. Courses are taught by University and industry specialists. This educational training provides current, detailed instruction and is specifically designed to furnish employees with the necessary knowledge, expertise and confidence to fulfill the requirements of their employment.

Topics include:

- **How Corn and Soybean Plants Grow and Develop**
- **Soybean and Corn Insect Management**
- **Nutrient Deficiencies**
- **Identifying Weeds - Plant Morphology**
- **Using a Key to Identify Weed Seedlings**
- **Crop Diseases and Quiz**

Fee for this training is \$165 which includes a resource book. Or for participants attending the training only (no resource book) the fee is \$50. Pre-register to reserve your seat and to ensure workshop materials are available the day of the training session. Fees include lunch, refreshment breaks, and workshop materials. About the optional resource book - the instruction manual contains a variety of reference materials that are excellent resources for crop scouting professions. Registration fees do not include the cost of lodging.
