University of Nebraska-Lincoln Agricultural Research and Development Center

Archery Deer Hunting Registration Guidelines

1) Registration opens August 1
   a) remains open until maximum 50 registrants
2) Must register in person
   a) may register additional related persons with same physical address; must show current
      hunting permit matching in-person registrant address
3) Must show photo id to verify registration information. No copy kept.
4) Provide copy of hunting permit prior to hunting. (ARDC Hunting Park tag issued at that time.)
5) ARDC reserves right at all times and without cause to refuse or revoke registration.

Hunter Requirements

1) Must obey all Nebraska statues and regulations.
2) Must follow current published information available at http://ardc.unl.edu/hunting.shtml
3) Report taking of deer (approximate location and animal description) to ARDC.
4) Access only on established gravel and paved roadways; and only upon non-aggregate
   roadways when surface is dry.
5) All vehicles on property must display ARDC Hunting Tag.
6) No permanent hunting stands. Shall be removed end of season. Each stand in place shall have
   attached name of person responsible. Screws, nails, wire, or bolts are not allowed to attach to
   trees.
7) Violations of any rules will result in immediate revocation of access permission and be subject to
   future denials of application at Director’s sole discretion.
8) Be good stewards and self-regulate the hunting environment. The University does not intend to
   mediate hunter complaints. The University offers limited hunting privileges to the public
   provided undue resources are not expended to administer the program.
