FROM OMAHA: Take Dodge Street west on Hwy. 275, turn south on Hwy. 275 until it winds into Hwy. 92. Travel west on Hwy. 92 to Mead. (Taking L Street out of Omaha is also Hwy. 92) A green Univ. of Nebraska Agricultural R and D Center sign is located just east of the main turn into Mead. Turn south (left) onto Road 10 and travel 6 miles to the stop sign. You will approach a stop sign and a directory sign. Turn west (right) on Hwy. 66 (formerly Hwy. 63) and travel 3/4 mile to the August N. Christenson Research and Education Building. The building is located on the south side of Hwy. 66 between County Roads 10 and 11. Please park in the west parking lot.

FROM LINCOLN: Take Hwy. 77 north out of Lincoln towards Wahoo. Just north of the unincorporated community of Swedeburg (and 4 miles south of Wahoo), you will approach a green Univ. of Nebraska Agricultural R and D Center sign, a Hwy. 66/77 sign, and a Wahoo/Ashland/Ithaca sign. Turn east (right) onto Hwy. 66 (formerly Hwy. 63) and travel 6 3/4 miles east. The August N. Christenson Research and Education Building is located on Hwy. 66 on the south (right) side of the road. The building is situated behind a hill and is difficult to see from the highway. Please park in the west parking lot.
